

ICERA NAMED RED HERRING 100 GLOBAL AWARD WINNER

Bristol, UK, 10 December, 2007 – Icera, the cellular wireless semiconductor company has today announced that it has been selected as one of the top 100 most promising technology companies in the world by Red Herring and has received a Red Herring 100 Global Award.

Red Herring 100 winners and finalists from North America, Europe and Asia of the last three years were eligible for this award. The Red Herring editorial team used a competitive process to whittle down the 1800 eligible companies to the 100 winners of this first-time award. Evaluations were made on both quantitative and qualitative criteria such as financial performance, innovation, management, global strategy and ecosystem integration.
