General Disclaimer: The Tool is an interactive tool that uses the information that you supply to provide an estimate of your potential return on investment and productivity gains when purchasing a new NVIDIA® Quadro® processor-based workstation. The general accuracy of the estimate generated by the Tool will depend on how closely the variables chosen by you match your actual circumstances.

The results generated in the Tool are estimates and should only be used as a guide to evaluate the potential return on investment and productivity gains when purchasing a new NVIDIA® Quadro® processor-based workstation. The actual economic results realized as a result of a purchase of a new NVIDIA® Quadro® processor-based workstation will vary and there is no guarantee that you will actually realize the economic results forecast by the Tool. There may be additional unaccounted for costs related to the use and deployment of an NVIDIA® Quadro® processor-based workstation that are not or can not be accounted for on this Tool. Any estimate generated by the Tool is not and should not be interpreted as either a promise of or contract for a given level of ROI or productivity gains. Prior to purchasing any NVIDIA® Quadro® processor-based workstation, you should consult with qualified IT professionals to ensure that any such purchase fits your particular circumstances. NVIDIA does not and cannot guarantee the accuracy or reliability of the results generated by the Tool or that you will actually realize any cost savings as forecast by the Tool.

DISCLAIMER OF WARRANTIES. THE TOOL IS PROVIDED "AS IS" WITHOUT ANY EXPRESS, IMPLIED OR STATUTORY WARRANTY OF ANY KIND.
