

GEFORCE[®]
ACADEMY OF GAMING™

April 01, 2018

WELCOME TO THE GEFORCE[®] ACADEMY OF GAMING™!

It is with great pleasure that I offer you admission to the G.A.G. inaugural class of 2018!

Your thoughtful class selection and thirst for getting good convinced us that you have the finger dexterity, intellectual energy, and patience of a camper to flourish at the G.A.G. Thank you for being a part of the GeForce community and we are looking forward to the unique and extraordinary contributions we know you will make to the intellectual and extracurricular life of our academy.

Once again, I extend my congratulations on your admission to the academy and wish you a happy April Fools' Day.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Gaudin'.
