

NVIDIA PARTNER NETWORK SOLUTIONS INTEGRATION PARTNER PROGRAM

JOIN THE NVIDIA PARTNER NETWORK

For more than 25 years, NVIDIA has pioneered visual computing solutions and brought them to market with a network of valued partners. Now, you can help us inspire the next generation by joining the NVIDIA Partner Network (NPN).

NVIDIA has evolved the GPU into a computer brain at the exciting intersection of virtual reality, high performance computing, and artificial intelligence.

Take advantage of the supercharged GPU computing platform that lets your customers accelerate scientific discovery, develop new Internet services, self-driving cars, or intelligent machines, and allows designers to immerse themselves in photorealistic virtual worlds.

Within the NPN, NVIDIA offers a Partner Program designed for those partners whose primary business model includes the utilization of NVIDIA products, NVIDIA-based solutions, and NVIDIA technologies in platforms that they manufacture and/or purchase from an NVIDIA Distributor, ODM, OEM and/or other approved

NVIDIA partner and assemble into platforms that they resell under their own brand name.

PROGRAM COMPETENCIES

The program offers several Competencies to differentiate your expertise to customers and maximize the benefits of the NVIDIA Partner Network. Regardless of your company's size, business model, or market focus, alignment with NPN's Competencies helps you distinguish and deliver your GPU computing solutions in the marketplace.

Currently, NVIDIA offers the following Product Competencies within the Solutions Integration Partner Program:

- > Tesla
- > Quadro

The NVIDIA Partner Management Team will work with you to determine the Competencies that best fit your business.
