

GEFORCE NOW™

QUICK START GUIDE

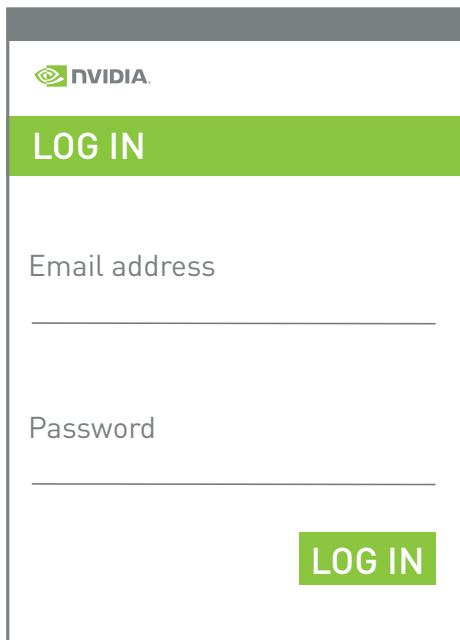

nVIDIA

01

LOG IN OR CREATE AN ACCOUNT

Use the in-app network test to confirm that your network meets GeForce NOW requirements for an optimal gaming experience.

The screenshot shows the login interface for NVIDIA GeForce NOW. At the top left is the NVIDIA logo. Below it is a green bar with the text "LOG IN" in white. Underneath are two input fields: "Email address" and "Password", each with a horizontal line below it. At the bottom right is a green button with the text "LOG IN" in white.

02

TEST YOUR NETWORK

Use the in-app network test to confirm that your network meets GeForce NOW requirements for an optimal gaming experience.

SERVER LOCATION

This setting will take effect next time you launch a game.

Analyzing network

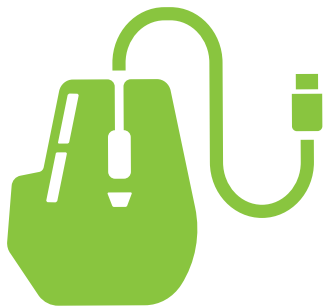

03

SWITCH TO A GAMING MOUSE

A USB (wired or wireless) or Bluetooth gaming mouse will provide reduced latency, higher sensitivity and a tactile scroll wheel.

[Read system requirements](#)

04

FIND YOUR GAMES

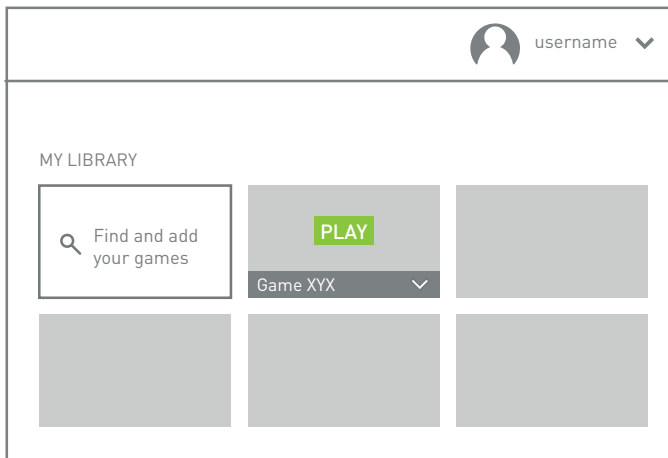

Type a game name or keyword in the search box to add it to your GeForce NOW Library.

	Game XYZ	+ LIBRARY
	Game 1	
	Game 2	
	Game 3	
	Game 4	

05

PLAY YOUR GAMES

Click the Play button to launch it from the GeForce NOW servers. You'll be asked to sign into the digital store associated with your account to confirm your ownership, or purchase the game.
